2010 Quick Reference Guide and Pricing

Effective January 2010

Jack Selection:

The information provided in the selection guide is general in nature. Thus, it is ultimately the responsibility of the purchaser to verify that the recommended equipment meets the jacking needs for the individual aircraft.

Shipping:

Prices listed do not include shipping. Model 6A2642 and 8B2439 jacks, Jack pads and most repair/replacement parts are shipped via UPS Ground. Larger merchandise must be shipped via motor freight to a commercial location. Model 6A2642 & 8B2439 jacks are shipped disassembled (1 box cylinder/support legs, 1 box base) Priority, International and COD shipments can be arranged, although there is additional charges.

Terms:

We accept prepayment with Discover, MasterCard, Visa or by check. For credit card purchases please have the following available:

- Name as it appears on card
- Card number
- Expiration date
- Card billing address (if different from shipping address)
- Code

All jacks are supplied with lock pin safety collars and tilt & roll, 2" 'no-mar' poly casters.

NOTE - Model 8B2439 may be used in place of 6A2642 for most single engine applications.
